Registration deadline is December 31st.

Details:

Schedule

8U will play 7 Saturdays with games starting at 6:30pm and 8:00pm beginning January 9th.

10U will play 7 Fridays with games starting at 5:30pm, 7:00pm, and 8:30pm beginning January 8th.

12U will play 7 Wednesdays with games starting at 5:00pm, 6:30pm, and 8:00pm beginning January 6th.

Number of Games

8U will play one game per night and will play each other team twice for 6 regular season games. Then the last Saturday night will be Seed #1 vs Seed #2 for the championship game, and Seed #3 vs Seed #4 for the consolation game.

10U and 12U will play each team once for the first 5 weeks of the season for 5 regular season games. Then the last 2 weeks will be a tournament with each team being guaranteed 2 more games during the tournament.

Rules

8U

1. 8U will play kid pitch with no walks. If the pitcher throws 4 balls, then the coach will come in and pitch to their own batter with a fresh count (no balls and no strikes).
2. Stealing will be allowed when the kid is pitching only (the base runner may leave when the ball crosses home plate), there is no stealing home, but if a girl is stealing third and there is an overthrow or the ball does get by the third baseman and the runner decides to continue home...she may do so.
3. There will be an 8 run limit per inning.
4. If the ball goes over the back stop, out of play, on the pitch, the base runner will advance one base (this DOES NOT include from 3rd to home – so if the bases are loaded and the pitcher throws a pitch over the back stop, out of play...all runners remain at their base).

5. If the batter hits a pop fly and the ball bounces off the top net and is caught before the ball hits the ground, the batter is out. If the ball hits off the side net or the wall and is caught before the ball hits the ground, the batter is not out and the play continues.
6. If the ball goes out of play (into a soccer goal or into the crowd), each base runner will advance one more base.

10U & 12U

1. Stealing will be allowed when the ball leaves the pitcher's hand. Stealing home is allowed.
2. There will be an 8 run limit per inning for 10U, and a 10 run limit per inning for 12U.
3. If the ball goes over the back stop on the pitch, the base runners will advance one base (this includes from 3rd to home).
4. If the batter hits a pop fly and the ball bounces off the top net and is caught before the ball hits the ground, the batter is out. If the ball hits off the side net or the wall and is caught before the ball hits the ground, the batter is not out and the play continues.
5. If the ball goes out of play (into a soccer goal or into the crowd), each base runner will advance one more base.

This is a close fast paced game. **FACE MASKS FOR FIELDERS ARE RECOMMENDED.** The distance from home plate to 1st base is 54', from 1st base to 2nd base is 45', from 2nd base to 3rd base is 54', and from 3rd base to home is 45'.

8U and 10U will pitch from 35' and 12 U will be pitching from 40'.

We will offer a Spring Infield League that will be limited to 4 teams per division and will run from the last full week of February to the last full week of March (5 Weeks)
